

HIGHLAND
CHURCH OF CHRIST

Take My Advice *I'm **not** using it.*

Ladies Fellowship Day
Saturday, October 27, 2018
10 a.m. to 1 pm.

Join us for a day of learning how to give and receive Godly correction.

It isn't always easy, to receive or give advice to family and friends. Some may take offense. Some may not realize they could use the information to make life a little better.

During this meeting, the ladies of Highland Church of Christ will explore helpful strategies to help women give, receive and accept advice when needed.

The goal is to learn how to build trust and use Christian values as a guide when life gets rough.

This free event will offer a meal and other helpful health and wellness information.

“*The way of a fool is right in his own eyes: but he that hearkened unto counsel is wise.***”**
